Director's Message

Hello EU Families!

I hope you all enjoyed the extended weekend thanks to Dr. MLK Day. With one less day of classes the week is sure to fly by. Make sure to stay on top of your assignment submissions and as always if you need assistance, be sure to reach out to me! Let's make it a great week!

Mr. Hernandez

Quote of the Week

"If you can't fly, then run. If you can't run, then walk. If you can't walk then crawl, but by all means, keep moving."

Dr. Martin Luther King Jr.

Interesting Fact - Inauguration Music!

This year's inaugural music is set to include some of the most diverse and inclusive programming in terms of composers represented. In addition to National favorites, "The President's Own" has commissioned several new works of music by Kim Archer, Peter Boyer, Adolphus Hailstork, James Stephenson to be performed at the inauguration, as well as a piece by Julie Giroux that will be used to introduce Vice President-Elect Harris. Colonel Jason K. Fettig's programming is a great balance of traditional Patriotic music, mixed with modern music that reflects the diversity in our nation!

CG UPDATES

Winter Guard Updates
Head over to the Members Only Section to pull up reference videos for recent choreography taught. There will be more updates later this week on WG uniform, payments for uniforms, and competitions.

Color Guard Master Class Schedule
Here are the dates for this quarter's CG Master Classes:
- January 29
- February 19
- March 19

- April 30

All classes will be on Fridays from 3:30pm to 5:00pm. Types of classes are still being determined so stay tuned. If you have any questions, email calhighcolorguard@gmail.com.

Grade Checks

Beginning next week, students receiving a grade of 75% or lower will be asked to attend mandatory student support hours. Student support hours will be posted in the designated Google Classroom for band and color guard. Students may also schedule office hours with Mr. Hernandez and Mrs. Dee if they are unable to make it for student support hours. We know that distance learning poses different challenges for different students and we look forward to helping all of our students get back on track. Once students have a 76% or higher in the course they are automatically exempt from student support.
